4. **PUBLIC FORUM FOR QUESTIONS** -

- i) No questions had been received from or were presented by members of the public.

5. **CHESHIRE EAST WARD MEMBER - CLLR. J. MACRAE** -

- i) Borough Councillor J. Macrae was not present at the meeting.

6. **REPORTS FROM EXTERNAL ORGANISATIONS** -

- i) **ChALC Macclesfield Area Meeting - 5<sup>th</sup> July, 2016** - Councillor D. Allman reported that a presentation had been given by Jo Wise (Cheshire East Council) explaining current plans for the regeneration of Macclesfield. The 'Silk Street Scheme' had now been abandoned and a new simple scheme involving the development of a six screen cinema, retail units and restaurant complex on the Churchill Way car park was being progressed.

A second presentation introduced a discussion paper that had been prepared on behalf of the CPRE relating to Devolution. Principal Authorities are being encouraged to group together to form 'combined authorities' which will receive additional powers from Central Government. As a consequence, it is likely, that Principal Authorities will expect Town and Parish Councils to accept additional responsibilities. This process is being termed 'double devolution', however, the impact upon Cheshire East is not yet known. It is anticipated that the process will have an impact upon planning matters.

**Decision a)** To receive and note the report of Councillor D. Allman.

- b)** That the Clerk circulate to all Members a copy of the Devolution report presented at the meeting.

- ii) **Cheshire East Council Town & Parish Council Conference - 19<sup>th</sup> July, 2016** - Councillor C.

Sweetman reported that Cheshire East Council has recently undergone a staffing restructure to bring all departments under one of three new directorates: People, Place or Corporate Services. Further details of this will be available in due course. The event included presentations on a number of areas:

**Highways:** It was reported that the current highway funding arrangements are to be replaced with a new incentivised funding scheme. Highway Authorities will be assessed and assigned to a funding band which will determine the value of the grant allocated. Under the scheme only those Highway Authorities in Band 3 will receive 100% of the grant money available. At present Cheshire East Council is in Band 2

# GREAT WARFORD PARISH COUNCIL

which means that funding will reduce unless steps are taken to achieve Band 3 status. Cheshire East Council has, however, made significant savings on third party claims over the last twelve months.

**Local Plan:** The revised Local Plan has been submitted to the Planning Inspector and it is expected that the examination process will resume on 13<sup>th</sup> September, 2016. At present an external consultant has been engaged to begin the process of introducing the Community Infrastructure Levy system to Cheshire East Council.

**Neighbourhood Plans:** At present there are 1,975 groups nationally who have started the process to prepare a Neighbourhood Plan of which 164 have been formally adopted.

**Social Care:** The Clerk reported that social care in the Audlem area was now being managed by a volunteer group following the withdrawal of services by AgeUK. The group is able to offer day groups to elderly residents, transport services to hospitals and doctors surgeries, opportunities for social interaction between younger and older residents along with support for individuals. The group are looking to expand their services and are willing to assist other communities who wish to start a similar scheme.

Councillor D. Allman noted that Great Warford Baptist Chapel had recently held a social event for older residents to enjoy tea and cake which had been very successful. It was considered that it may be useful to determine current demographic statistics of the parish to understand the potential demand for such events.

- Decision**
- a) To receive and note the report of Councillor C. Sweetman and the Clerk.
  - b) That the Clerk source demographic statistics for the Parish from the last census.
  - c) That Councillor C. Sweetman contact Mrs. McCandlish to find out more about the recent social event at Great Warford Baptist Chapel.
- iii) **Police & Crime Commissioner Meeting with Town & Parish Councils - 19<sup>th</sup> July, 2016** - Councillor C. Sweetman noted that this meeting had been scheduled for the same evening as the Town & Parish Council conference. This had been brought to the attention of the Police & Crime Commissioner who had issued an apology to those unable to attend.

## 8. PLANNING -

i) **To receive the latest planning schedule and discuss new applications** - The Chairman presented the planning schedule and noted decision notices that had been issued since the last meeting. (Appendix B)

**Decision** a) To note the planning decisions received since the last meeting.

## ii) Neighbourhood Plan -

**To consider the merits of preparing a Neighbourhood Plan for the Parish** - Councillor C.

Sweetman suggested that consideration of this item be deferred to a future meeting in order that all Members had opportunity to discuss the matter. It was noted, however, that at a recent Cheshire East Council Northern Planning Committee a planning application at Brereton had been refused based upon the content of their Neighbourhood Plan.

It was reported that there were a number of residents who were interested in preparing a Neighbourhood Plan and were interested in attending a meeting to discuss the matter further. Chorley Parish Council has decided that they will not be pursuing preparation of a Neighbourhood Plan at this time. Nether Alderley Parish Council is still considering its position.

**Decision** a) That consideration of this item be deferred to a future meeting of the Parish Council.

iii) **The Stags Head** - Councillor C. Sweetman reported that approximately 40 residents had viewed the proposed plans at a recent presentation event. The initial response from residents appeared to be largely positive. The owners are hoping to submit a formal planning application in the near future.

## 9. PARISH MATTERS -

i) **Website** - Councillor C. Sweetman reported that the new website should be available in the near future. Archive documents will be added over the coming months and the Clerk will be provided with access to add new documents.

## ii) Great Warford Picnic -

a) Councillor D. Allman reported that the event had been a huge success and luckily the rain had held off until the closing minutes. A vote of thanks was extended to all those who had contributed to the event which had raised approximately £700.

b) **Reports to meet Grant Conditions** - Councillor D. Allman reported that she would prepare the report relating to the Cheshire East Council grant. Preparation of the report for the Active Cheshire grant would be undertaken following confirmation that the grant has been received.

c) **Future Village Picnics** - Members considered the merits of forming an independent committee to manage the arrangements for future Village Picnics. It was reported that Miss J. Williams and Councillor D. Allman intended to step down from leading the organisation of the event and that there may be opportunity to consider additional or alternative events for the Village. It was noted that some residents are considering forming a residents group, therefore, they may wish to include this matter within their remit.

**Decision** a) That this matter be considered again in early 2017.

iii) **Mary Dendy Playing Field** - It was reported that there had been no progress on this matter.

iv) **Land at Lindow End - Damaged Fence** - It was reported that the fence had now been repaired.

v) **Noahs Ark Lane - Weight Restriction Signage** - Councillor M. Read was not present at the meeting to report on this matter.

vii) **Litter** - Councillor M. Gale was not present at the meeting to report on this matter.

viii) **Defibrillator** - Councillor D. Allman reported that the equipment was due to be installed in the near future. Councillor C. Sweetman asked Members to consider whether any further defibrillator equipment should be provided within the Parish. It was noted that several private businesses within the Parish already have equipment, however, it was unclear whether these would be available for public use.

ix) **Trees on Warford Crescent** - Councillor C. Sweetman reported that branches had fallen from trees on

# GREAT WARFORD PARISH COUNCIL

Warford Crescent prior to the Village Picnic. No further information about the general condition of the trees was available.

- x) **Pavement Condition** - No update on this matter was available.
- xi) **Location of Speed Indicator Devices** - No update on this matter was available. It was noted, however, that any additional mounting poles would need Cheshire East Council Highways approval prior to installation. Several locations had been considered when the Speed Indicator Devices were purchased, however, not all were deemed suitable by the Highways Officer.

## 10. CORRESPONDENCE -

### i) To consider any action required in relation to the following items of correspondence:

- a) E-ON - Notification of increase in electricity charges from 01/07/16 - The Clerk reported that the increase in charges would have an annual impact of approximately £10.

- b) Fields in Trust - The Centenary Fields Programme - Councillor C. Sweetman noted that the Parish Council did not own any playing fields.

**Decision** a) To receive and note the document.

**Decision** a) That the reservoir safety information be published on the website.

- b) To receive and note the other correspondence at Appendix C.

## 11. MATTERS FOR INCLUSION ON NEXT MEETING AGENDA -

- a) Updating of Badge of Office - Councillor C. Sweetman.

## 12. DATE OF NEXT MEETING - Wednesday 21<sup>st</sup> September, 2016 at 7:30p.m. at Great Warford Baptist Chapel.

**To consider passing a resolution under Section 1(2) of the Public Bodies (Admission to Meetings) Act 1960 (Section 100(a) of the Local Government Act 1972) to exclude the public and press from the meeting for the following item of business on the grounds that it could involve the likely disclosure of exempt information.**

**Decision** a) That a resolution to exclude the Press and Public from the remainder of the Meeting was not necessary as no items were to be considered at Item 13.

## 13. MATTERS FOR CONSIDERATION INCLUDING THOSE TRANSFERRED FROM ABOVE ITEMS -
